

January 7, 2011

Jocelyn G. Boyd, Esquire
Chief Clerk/Administrator
Public Service Commission of South Carolina
101 Executive Center Drive, Suite 100
Columbia, SC 29210

RE: Docket No. _____-E

Dear Mrs. Boyd:

By Directive issued May 6, 2009, in Docket No. 2008-251-E, the Public Service Commission of South Carolina approved a stipulation entered into by Progress Energy Carolinas, Inc. ("PEC"), Nucor Steel-South Carolina, Wal-Mart Stores East, LP, and the Office of Regulatory Staff which established procedures for the filing, approval and cost recovery of new Demand-Side Management ("DSM") and Energy Efficiency ("EE") programs by PEC. The approved stipulation requires PEC to file the results of the measurement and verification of its DSM/EE programs with its annual cost recovery rider application. Such Rider must be filed on May 1 of each year.

PEC recently received the initial measurement and verification reports for the EnergyWise DSM program from its independent third-party measurement and verification contractor. Pursuant to the orders, rules and regulations of the North Carolina Utilities Commission, PEC was required to file this report upon its completion. Given that the initial report is available and now on file with the North Carolina Utilities Commission, PEC is filing the report with the Public Service Commission at this time rather than waiting until May 1. It may be appropriate for these reports to be filed in the docket the Commission establishes for PEC's 2011 DSM/EE cost recovery application to be filed May 1, 2011.

Sincerely,

A handwritten signature in black ink, appearing to read 'Len S. Anthony', written over a horizontal line.

Len S. Anthony
General Counsel
Progress Energy Carolinas, Inc.
